

Foundation For Excellence India Trust

Foundation For Excellence India Trust is a registered Public Charitable Trust, in Bengaluru, Karnataka, registered under u/s 12A(a) of the Indian Income-tax Act, 1961, and has been promoted by its parent organization - FFE (Foundation For Excellence Inc. which is a publicly supported 501 © (3) organization based in Santa Clara, California, USA founded by Dr. Prabhu Goel in 1994) to expand the scope of FFE's support, with the same objectives as FFE. FFE is now registered under Foreign Contributions Regulations Act, 1976,(FCRA)

FFE's mission is to bring about a transformation in the lives of academically bright and economically underprivileged students in India by enabling them to complete their higher education in India.

FFE Scholars come from economically deprived families where the average income for a family of four is less than a few dollars per day. Academically outstanding students are often forced to discontinue their education due to lack of funds. FFE's Scholarship program help students break the cycle of poverty that generations before them have had to endure and to harness their talent to make them productive members of society. Educating youth has an impact not only on the individual, but the family, the community and the country as a whole.

FFE's scholarship program is open to any student in India and there is no discrimination on the basis of caste, community, gender, religion, region and state. FFE believes in building a better tomorrow. And what better way than to empower the talented but economically disadvantaged kids to realize their full potential so that they become productive members of the society. FFE is seeks help from individuals to help fund the education of bright and needy students. Please remember that every donation you make will make a big difference in transforming the life of bright, talented students who cannot realize their full potential for lack of resources.

In the past 22 years since inception in 1994, FFE has helped over 16,000 scholars across India. Over 42,000 scholarships worth about Rs.75 Crores have been awarded to students so far.
